## CORE COMPETENCIES

Since 2006, GTech Cleaning Services, LLC has provided scalable janitorial services using environmentally sustainable and safe solutions. Based in Claymont, Delaware with more than 50 employees, GTech serves Delaware, Pennsylvania, New Jersey and Maryland. GTech customizes janitorial maintenance programs for clients in many industries, including local, state and federal governments, Fortune 500 businesses, and mid-to-small sized organizations.

GTech's systematic approach to cleaning coupled with the company's advanced, state of the art equipment, allows employees to quickly and thoroughly complete janitorial tasks.
